

## Datasheet for part number CIR08F-40-56SW-F80

Our Catalog Part Number: CIR08F-40-56SW-F80

Brand: VEAM Product Category: Circular Product Line: Veam CIR, VBN, Other Series: CIR / FRCIR

| Product Datasheet                                     |                                                                                                                                                                                                                   |
|-------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| SERIES                                                | Connector with Bayonet Coupling                                                                                                                                                                                   |
| Shell Style                                           | 90 Degree Plug Connector                                                                                                                                                                                          |
| Environmental Class                                   | Backshell with A style clamp and bushing but includes wire sealing grommet and compression ring.                                                                                                                  |
| Shell Size                                            | 40                                                                                                                                                                                                                |
| Contact Arrangement                                   | 40-56                                                                                                                                                                                                             |
| Total Number of contacts                              | 85 contacts                                                                                                                                                                                                       |
| Number of Contacts Size 16                            | 85 contacts size 16                                                                                                                                                                                               |
| Insulator Rotation                                    | 72°                                                                                                                                                                                                               |
| Gender                                                | Socket                                                                                                                                                                                                            |
| Contact Type                                          | Crimp for AWG wire (used in F80 insert)                                                                                                                                                                           |
| Contact Plating                                       | Silver                                                                                                                                                                                                            |
| Shell Material                                        | Aluminium alloy                                                                                                                                                                                                   |
| Shell Plating                                         | Olive drab chromate over cadmium plating (conductive)                                                                                                                                                             |
| Wire Size Cross Section for Contacts Size 16          | 1,0-1,5 mm <sup>2</sup> or AWG 18-16                                                                                                                                                                              |
| Contact Rating for Contacts Size 16                   | Maximum Current = 22 A<br>Rated and Test Current = 13 A<br>Potential Drop max. 74 mV                                                                                                                              |
| Shock Resistance                                      | Waterproof to 10 meteres (33 ft)<br>12 h (14.7 PSI)                                                                                                                                                               |
| Coupling                                              | 2000 couplings minimum                                                                                                                                                                                            |
| Service Rating Letter                                 | A                                                                                                                                                                                                                 |
| Operating Voltage DC                                  | 700 V                                                                                                                                                                                                             |
| Operating Voltage AC                                  | 500 V                                                                                                                                                                                                             |
| Dielectric strength -<br>Minimum Flashover AC RMS     | 2800 V                                                                                                                                                                                                            |
| Dielectric strength -<br>Test Voltage AC RMS (Hi Pot) | 2000 V                                                                                                                                                                                                            |
| Note                                                  | Voltages in excess of 30 V ac or 42.5 V dc are<br>potentially hazardous and care should be taken to<br>ensure that such voltages can't be transmitted in any<br>way to exposed metal parts of the connector body. |
| General                                               | Veam CIR series Connectors are produced in accordance with NATO Standard VG95234, which is based on MIL-C-5015 for physical size, layout and environment requirements.                                            |
